MDL No. 1780 (LAP)

Dear Judge Preska:

I am writing to confirm a short discussion we had with chambers concerning the timing of the submission of certain papers arising out of the parties' initial case management conference. With the Court's permission, the parties propose that they submit to the Court a proposed Case Management Order No. 1 on Monday, December 4, 2006 and plaintiffs' proposed organizational papers on Tuesday, December 5, 2006.
